

FULLSIZE US PICKUPS & VANS

Complete from-the-ground-up redesign of the award-winning truck bed storage system for US fullsize pickups. Increased drawer storage capacity, more efficient use of truck bed space, increased drawer extension, and integrated cargo tie-down solutions

Same huge 900kg deck and 90kg per drawer payloads.

KEY FEATURES

INCREASED DRAWER EXTENSION

- Reaching the back of an open drawer easy and practical

INCREASED DRAWER VOLUME

- 10% increase in overall volume. Even bigger increase in usable space
- 45 cm width: New square-bottomed drawer shape = bigger drawer that's easier to organise more efficiently

INTEGRATED D-RING CARGO TIE DOWNS

- 4 per side on outbound edges, 8 total
- Countersunk, lie flat and out of way when not in use
- Function as no-drill installation points for CargoGlide
- Steel to steel connection - 180kg dynamic load rating

ULTIMATE WEATHERPROOFING

- Greatly reduces airborne particulate intrusion
- Cabside and drawer-side closeout panels
- Improved drawer-face seal

MAXIMIZED BED STORAGE

- Unrestricted tailgate to wheel well pass-throughs
- Included Stash Bins drop in from above
- Waterproof and lockable Stash Bin lids
- Uninhibited access to OE power outlets

STEEL2STEEL DRAWER SYSTEM CONNECTION

- System connects via OE tie downs to steel brackets
- Easier and faster assembly and installation
