- Universal Roof Rails
- Cargo Light Portal Window (Full-size Applications Only)
- Front Slider Window, Flush Bonded (Excluding VW Amarok)

A TRUCK CAP AS TOUGH AS YOUR TRUCK.

From off-road to on the ranch, the SmartCap LC is the perfect way to top off your Land Cruiser. It's built out of Stainless Steel, which means it will earn its scars the same way your truck does—one rugged adventure after another. The double-walled Gullwing door openings offer protection from flying cargo denting the cap. Plus, they are incredibly large, allowing you to access cargo with ease. Best of all, the integrated universal roof rails let you mount accessories like roof racks or a rooftop tent.

Features Include:

- Positive Pressure Air Vent w/Particle Filter
- Universal Roof Rails
- Front Slider Window, Flush Bonded
- Gullwing Side Doors, Solid And Double Skinned
- Gullwing Doors Interior MOLLE Panels
- Rear Half Door w/Flush Bonded Tinted Window
